Hymn #10 Immortal Love

Verse 1)

Immortal love, forever full, forever flowing free,
forever shared, forever whole, a never-ending sea!

Verse 2)

Our outward lips confess the name all other names above;
but love alone knows whence it came and comprehendeth love.

Verse 3)

Blow, winds of love, awake and blow the mists of hate away;
sing out, O Truth divine, and tell how wide and far we stray.

Verse 4)

The letter fails, the systems fall, and every symbol wanes;
the Spirit overseeing all, Eternal Love, remains.

#307 The Human Touch Can Light the Flame

Verse 1)

The human touch can light the flame
which gives a brightness to the day,
the spirit uses mortal flame,
life's vehicle for work and play.

Verse 2)

The lover's kiss, the friend's embrace,
the clasp of hands to show we care,
the light of welcome on the face
are treasured moments all can share.

Verse 3)

May all who come within our reach
be kindled by our inner glow,
not just in spirit's words we preach,
in human touch love's faith we show.

Hymn #299 Make Channels for the Streams of Love

Verse 1)

Make channels for the streams of love where they may broadly run;
and love has overflowing streams to fill them every one.

Verse 2)

But if at any time we cease such channels to provide,
the very founts of love for us will soon be parched and dried.

Verse 3)

For we must share, if we would keep this gift all else above;
we cease to give, we cease to have — such is the law of love.
